

Utah
Diabetes
Telehealth
Program

3rd Wednesday
of each Month

12 – 1:00 p.m.
(MST)

Wednesday, May 16, 2007
Stroke and Diabetes
Elaine Skalabrin, MD

The presenter for the May Diabetes Telehealth Program is Elaine Skalabrin, MD, Assistant Professor of Neurology and Director of the Stroke Center at the University of Utah. Dr. Skalabrin will present on the epidemiology of stroke, including its position as the leading cause of disability and the third leading cause of death. Discussion will also include managing diabetes for the prevention and treatment of stroke, as diabetes is arguably responsible for the worldwide deaths of 3.8 million people each year, mostly through complications such as strokes and heart attacks.

- CEUs offered for nurses (1.5 hours) and dietitians (1 hour) for all Diabetes Telehealth Programs -

Upcoming Presentations:

June 20 – Chronic Kidney Disease
July 18 – Coaching for Change: Motivating PWDs
August 15 – Meds for Diabetes and Your Heart (TBD)

Please use registration form sent by email or online <http://www.health.utah.gov/diabetes/apps/threg.php>
